

Camp Liberté Society

Camp Liberté Society provides a summer camp experience for Canadian children with moderate to severe skin conditions. Campers are provided an opportunity to grow in confidence and self-esteem through a multi-cultural outdoor camping experience in a fun, safe, bilingual, environment.

Patient Community

Children from all across Canada are welcome to these life changing camps. All eligible campers attend camp at no cost to them or their families thanks to the generous donations of corporate and individual supporters.

Camp Locations

There are three Camp Liberté locations across Canada:

- Camp East, Quebec
- Camp Marcoux, Ontario
- Camp West, Alberta

Impact on the Patient's Quality of Life

Campers return from Camp Liberté with more confidence, a greater appreciation for nature, and long-lasting relationships.

Dermatologist Referral

Interested campers should contact their dermatologist to complete the referral form found on the Camp Liberté website www.campliberte.ca.
